

RASCEE is a collective product of the scholars working on religious studies in Central and Eastern Europe. In choosing manuscripts for publication we rely seriously on the judgment of our referees. We thank the following scholars for their contributions to the reviewing process. Each of the referees listed below returned at least one review between September 2011 and November 2013. —Editors

Alexander Agadjanian, Russian State University for the Humanities, Russia
Eileen Barker, London School of Economics, UK
Audrius Beinorius, Vilnius University, Lithuania
